Hi Christine

Just a quick heads up relating to a call you're likely to get tonight from Sally Capp, Lord Mayor City of Melbourne.

Yesterday at one of the Nth Melbourne towers that was in lockdown, City of Melbourne and DHHS received an allocation mail from Australia Post. As part of that mail was 114 parcels all looking and feeling the same, the sender: Pauline Hanson.

City of Melbourne/DHHS have decided to open one of the parcels (unbeknownst to us), to determine whether it is essential and needs to go up.

Turns out it is a stubby holder. Pic attached.

DHHS/City of Melbourne - deciding that things are tense in the towers precinct already and with a culturally diverse population - decide to hold the items and not deliver them.

s 47 E(c) has been on a call this afternoon with Justin Henney from City of Melbourne. s 47 E(c) mentioned during that call that LM Sally Capp may call you tonight as a courtesy.

Get in touch if you need further information.

Thanks
